**Subject: Appreciation Letter**

Professor Younos,

In the number of years I have had the privilege of knowing you and your excellent service of informing my lecture groups about conditions in the Middle East, Pakistan & Afghanistan in all dimensions, there is no one I could more recommend. Your depth of knowledge has enriched and informed all who have heard your presentations.

Clearly,

your grasp of the key elements of those areas is both insightful and prescient. It is indeed, a pleasure to know you.

Salvatore J. Compagno  
Director & Coordinator of Great Decisions & The Diablo International Resource Center
