

Stockholm, 10 January 2024

Dear Mohammad Farid Younos,

The EU-funded Afghanistan Inclusive Dialogue Initiative (AIDI) is pleased to invite you to participate in the third session of the “Afghanistan Future Dialogues”.

The Afghanistan Future Dialogues brings together Afghan stakeholders involved in shaping the political, social, and economic future of Afghanistan. The process is facilitated by the Folke Bernadotte Academy (FBA), the Swedish state agency for peace, security and development, which is one of AIDI’s implementing partners, with the support of Reos Partners, a global social impact company that helps people work together across differences to achieve systems change.

You are invited to attend the second session that will be held in Amsterdam, The Netherlands, at the Renaissance Amsterdam Schiphol Airport Hotel, on 26-28 January 2024.

We remain available for any questions you may have and are looking forward to meeting you again shortly.

Yours sincerely,
